“We had our wedding there in September — it was AMAZING! The venue was the right size for our 110 person event. Our venue coordinator was on-the-ball and got everything right. The food was incredible (I had the Angus flatiron steak and it was medium rare to perfection), and the staff was very friendly. I especially love the inside/outside spaces in the venue, and the kids enjoyed the tree house. They even let us take pictures in the adjacent venue (Berkeley Church) since there was no wedding on that day. Overall I’d highly recommend”

“Best. Night. Ever. We just had our wedding at the Berkeley Church and it was beyond what we ever could have imagined. The staff was incredible. They did an amazing job and we had 190 guests with welcome cocktails, coat check, NYE bubbles passed and had our ceremony, cocktails, and reception all at the venue. We received many compliments from our guests that they loved the food! We certainly did at our tasting but it’s so wonderful to hear it was also excellent for a big group. A huge bonus was we got to bring in our own alcohol and late-night food. We thought the venue looked gorgeous and we loved the character from day one. The ceremony space in front of the stained glass is particularly magical!”
